Welcome to Mnazi Bay-Ruvuma Estuary Marine Park

Protect the Ocean, Discover the Beauty, Empower the Community

WWW.MARINEPARKS.GO.TZ

MBREMP

The Park is home to nesting grounds for Green and Hawksbill turtles, and a number of marine mammals have been seen in the area including migrating Humpback whales and the Indopacific Humpback dolphin. A large population of crab-plovers led to the area being designated as an Important Bird Area (IBA) in 2001. The area is also a home to dugongs

EXPLORE, EXPERIENCE, ENJOY Experience:

- **Diving & Snorkeling:** Coral reefs, colorful fish, sea turtles
- **Whale & Dolphin Watching:** Seasonal humpback sightings from July to November
